A BRILLIANT WEDDING.

HE WILL GO AFTER GROUNDS

GEN. HANCOCK GIVES OUT AN INTERVIEW ON A CEMETERY QUESTION.

The War's Two Survivors to Visit the Battle-Ground Will Be Accompanied by a Few Friends and Will Be Absent from Home Two Days—Reunion of the Confederate Soldiers Under Gen. Gordon—General Political Notes.

WASHINGTON, Ind., Dec. 4.—[Special.]—The politicians this week seem to fortunately, are having the most fun there is to have in any season for such petty wrangling over the distribution of post-office pie. It is especially amusing to watch Gibson, and see to how much he is owed for his political services. The result is manifested with the daily selection that Private Secretary Halford is enjoying over. With the idea of reserving the Presidency and for all for a couple of days of resting.

A few days ago he received a handsome present from Syracuse, N. Y., of a pair of fine genuine Kentucky hound-skin shoes. It is elegantly mounted in gold plate, and on the front is a small gold shield upon which the owner is mentioned and the words "Freedom to American Industry." The Secretary has been anxious to try the new gift, but his many numerous morning over the Indianapolis, Decatur & Springfield road on the point of D. S. Fiske, the general solicitor of the road and an old friend of him, Harrison. The party will consist only of this Harrison and the secretary, Mr. J. E. Miller, and Mr. Fiske and his son. They will probably be absent two days. The Indianapolis, Decatur & Springfield road is a new line, running almost due west from Indianapolis through a section of country where corn and coal are plenty and land cheap. There are still in operation of it some small mines, and from that point they will make a visit and enter the field for Harrison game.

ANOTHER CONFIDENCE MAN.

There has been much talk over the Long Legged man to arrive in the city. The man in the town last night, which was attended by the Harrison, a public reception this morning, and another dinner today and events has given him the distinction of having received more attention than any other prominent Southerner who has visited Indianapolis since the visit to Gen. Grant across the states. The occasion this morning was both to the new Indiana Union, and many of the leading citizens of the city, regardless of party, with the exception of Democratic officeholders, were present. The reception was held in

TWO MYSTERIOUS DEATHS

THE SEWERAGE PROBLEM.

Ringing Noises

In the ears, sometimes a roaring, buzzing sound, or resembling that the sound of a pistol, and caused by catarrh, then neurologic diagnostics and nine-tenths fallen. Lack of vital or nerve force, impure blood, etc., is positively caused by impure or vitiated blood. Hood's Sarsaparilla, the great blood purifier, is a positively specific for impure blood, which it cures by eradicating from the blood the impurity which causes all symptoms like these.

"For 20 years I have been troubled with ringing in the head, indigestion, and general debility. I concluded to try a bottle of

Hood's Sarsaparilla

and it did me so much good that I continued to use it till I have taken five bottles. My health has greatly improved, and I feel like a different person." Mrs. C. H. ADAMS, 6 Parliament Street, Concord, N. H.

"I am happy to say that my wife was cured of a very bad cough and other like ailments, by Hood's Sarsaparilla. She was induced to purchase bottle, which she has occasionally since taken. The little girl has used and now Hood's Sarsaparilla seemed to be just the thing she needed, as she has been well and hearty since taking it." FRANK FOSS, Barrister, &c.

"I have taken Hood's Sarsaparilla for catarrh and it has done me a great deal of good. I know what it is at all points as I used to be a druggist." LUTHER S. GOODWIN, West Pittsburgh, Pa.

That Tickling

In some throats nerves cause catarrh, and as catarrh is a constitutional disease, the nerves cough spasmodically and not in the throat. When you cure a constitutional cause, catarrh, Hood's Sarsaparilla, which by building up the general health and regulating the nervous functions in the midst of catarrh and consumption, has restored to perfect health many persons on whom these diseases seem to have a firm hold. Many unsolicited testimonials given beyond question that Hood's Sarsaparilla has positively cure catarrh.

"I have been troubled with catarrh about a year, causing some account of the constant hawking and spitting. I used Hood's Sarsaparilla, and now my catarrh is nearly all gone. I recommend it to all sufferers." GEORGE CARSON, Hamilton, Ont.

Hood's Sarsaparilla

Sold by all druggists. $1; six for $5. Prepared only by C. I. HOOD & CO., Apothecaries, Lowell, Mass.
